

Parkinson's UK Guildford and South Surrey Branch

Becoming a Branch Member

Application and Consent form for new Branch Members

Becoming a Branch Member enables us to ensure you are kept aware of all our Branch organised activities, many of which are subsidised from Branch funds. As well as having access to our Branch website, members also receive our Branch Magazine *The Park*, either by email or paper copy three times a year and receive an emailed Newsletter every 6 weeks updating members on what is happening for the month ahead.

Individuals who are members of Parkinson's UK do not automatically become Branch Members, as members can choose the branch nearest to them. It is best to join both the Branch and Parkinson's UK.

Becoming a Branch Member is simple, and there is no membership fee (although you can make a donation to Branch Funds at any time!). Carers or other family members should join separately.

Please complete the online membership form below.

Alternatively, if you wish to download the [hard copy version of the membership form](#) to complete and post then contact our Membership Secretary: Mr Keith Black, via our [online contact form](#)
